Dear Mr. Christie,

It is my pleasure to invite you to be a member of the Corrections Policy Group. Your participation will help me shape a policy agenda and an implementation process regarding the critical issues of corrections in New Jersey.

I expect the Policy Group to be comprised of about 25 members, who will meet several times in the next several weeks to discuss the objectives and priorities that need to be addressed in the first six months of the administration. The advisory groups I am creating will have the following charges:

Provide good, factual information and honest assessments,  
Suggest policy pathways for achieving goals,  
Examine approaches to implementation, and  
Provide a report of recommendations by January 10.

I hope you will accept this invitation to provide service to me and to the citizens of the State of New Jersey.

Sincerely,
