

Dear PANJ Member:

In our continued effort to expand the services available to our members, we are now able to offer **Membership Assistance Services for you and your family members** from ***Healthcare Assistance with Member Support*** at no charge.

If you or family members need assistance with stress, mental health or substance addiction, totally confidential help is available by calling 1-888-828-7826. ***Healthcare Assistance with Member Support*** is your personal referral service for union members. Terry Livorsi is a certified member assistance counselor we have identified to help our members seeking compassionate inpatient or outpatient quality care and counseling. Call for confidential consultation if you or your loved ones have one or more of these problems:

- ❑ ***Drug and Alcohol dependence***
- ❑ ***Stress related conditions***
- ❑ ***Sleeplessness***
- ❑ ***Addictions of all kinds***
- ❑ ***Explosive anger***
- ❑ ***Low energy***
- ❑ ***Concentration difficulties***
- ❑ ***Adolescent problems***
- ❑ ***Family problems***
- ❑ ***Job stress***
- ❑ ***Relationship problems***
- ❑ ***Job Discipline problems related to health***

Healthcare Assistance with Member Support can help you remedy unmanageable problems at home, at the work place, within your family or with important relationships. Doorstep service is available to help you with clinical interventions: to find treatment, to obtain medical documentation, to obtain assistance with employment discipline and to support you when you need patient advocacy for health benefits, sick leave or disability requirements.

Association members find Terry to be a very helpful service provider and resourceful friend.

Sincerely,

George Christie
President
