AND HUMAN SERVICES
SETON HALL UNIVERSITY

Summer 2010

Dear Seton Hall Colleagues and Alumni:

I am writing to our program graduates and continuing students regarding the Seton Hall University-New Jersey State Police Graduate Studies Program. As you know, the University has been serving the law enforcement community in off-campus locations for the past twenty-six years by offering a graduate degree program and two certificate programs designed especially for law enforcement officers.

This year we announce two new programs:

- (1) On-Line Option for the Master's Program for Law Enforcement and Criminal Justice Professionals (50%Discount)**
- (2) Ed.S. Degree Program for students who have graduated from the Master's Program (50% Discount)**

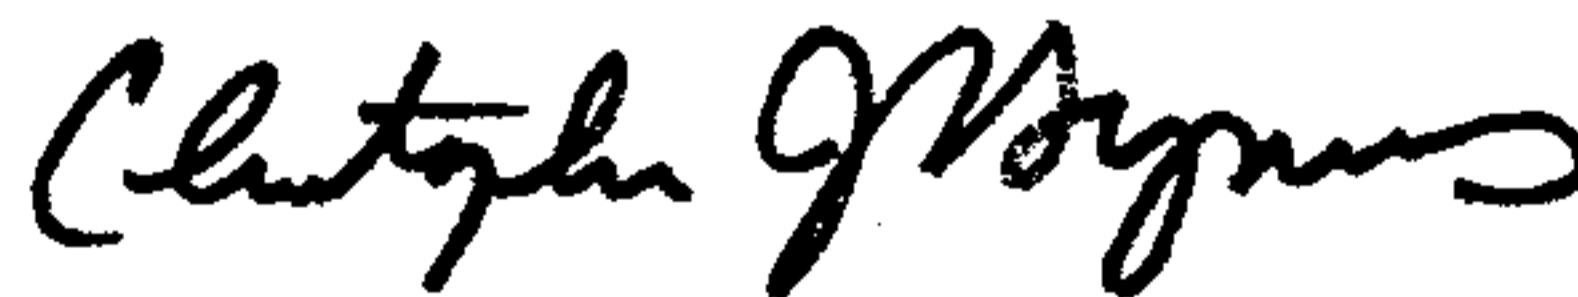

The success of these programs is attributed to "word-of-mouth" recruiting by our graduates and continuing students. One of the changes in our program in recent time is the discontinuance of the MAT exam for our master's students.

I am enclosing two copies of the program brochure, describing both Master's options, and I would appreciate it if you would pass them on to a fellow officer who may be interested in the program.

As a Master's Graduate, if you are interested in our Ed.S. degree program, you may contact our faculty member, Sean McGee, at (mcgeesea@shu.edu).

I appreciate your help and wish you the best in your career.

Sincerely yours,

Monsignor Christopher J. Hynes
