Presidential Newsletter Budget Update June 6, 2019

As the budget process advances in Trenton, there is tension between the Governor and the Legislative leadership in both houses. As is the case in every budget battle, PANJ is actively working with our lobbyist, Captial Impact Group, who are located directly across from the Statehouse. As of right now, there is no specific information to share, only speculation and rumor.

A vote in the Senate and the Assembly, regarding the proposed budget is tentatively scheduled for June 20th.

As the fiscal year draws to an end, PANJ will keep it's membership up to date with factual legislative information, as soon as it becomes available. Outside of business hours please make sure that you are checking our website at PANJ.org and our offical Facebook page, Probation Association of New Jersey.
